"Luceat lux Vestra"

Welcome to the Prep Class Newsletter!

Welcome back! Hope you all had a lovely holiday.

Our class topic this half term is "Transport". The Prep Class will be learning all about different types of Transport through a range of activities and experiences.

In reading work the children are continuing to develop their Phonic knowledge ready for reading. They are also making good progress with their letter formation and writing skills. Well done to the children who have already started a reading book!

In Maths the children are still enjoying learning all about numbers, colour, shape and sequencing. They are all working very hard in class.

The children are enjoying their Music sessions with Mrs Frith. They are trying very hard to learn the new exciting songs she is teaching them.

Well done Prep!

Homework

Please help your child to learn their flashcards every day.
