

UP 3-4 Newsletter

“Luceat lux Vestra”

Welcome to Upper Prep 3/4’s Newsletter!

The children have enjoyed the last month of school. They were all very pleased with their February School Reports and what they had achieved over the Term.

In English lessons, the children have enjoyed studying the story, *Funny Bones* by Allan Ahlberg. They have looked at editing and improving the story with more adventurous vocabulary and the use of much higher level punctuation.

In Maths lessons, we have been learning about Fractions & Decimals – we have been looking at comparing fractions and learning how to add fractions together. Over the next few weeks we will be focusing on measurement and converting between different units of measurement. The children have been trying hard with their weekly times tables tests. Please continue to practise these at home as it really does make a difference to their Maths work in class and in exams and tests.

The children have enjoyed their school trip to Armley Mills and learnt a lot about what life would have been like working in the mill. They enjoyed a Victorian Theatre experience and their behaviour on the trip was impeccable. The staff at the museum were very impressed!

Miss West

Please remember to share & visit our Facebook page for weekly updates. <https://www.facebook.com/dalehouseschool/>

Upcoming Events

Our Class Achievements!

Assembly Trophy: Daniyal, Dax + Theo

Barad and Elsa have completed their mixed multiplication test. Well done!

Theo and Dawud have received their pen license. They now have beautiful handwriting. Keep it up!

Muhammad and Daniyal have completed their times table tests up to 12 and are now working hard on the mixed multiplications test. Good work boys!
