

DALE HOUSE INDEPENDENT SCHOOL

21st April 2020

Dear Parent

Welcome back to the Summer Term at Dale House School. Work has been set for all our pupils for the next 3 weeks using an online platform, which our staff feel is good called **Purple Mash**. This is an Educational website, aimed at children, that is a Cross Curricular Resource covering; English, Maths, Science, Arts, Geography and History to name a few subjects.

Your child can access Purple Mash, from home on a laptop or a tablet. Staff have chosen Purple Mash because it provides a safe environment that does not require any downloading or allow social interactions with people online, and is easy to use. As a parent please read and follow the instructions and explore the site together with your child with their work. Staff will monitor and assess work that is submitted. You will shortly receive a text message with your unique user name and password. Please keep this information safe as you will need it to access the site.

Please do visit our school website (COVID-19 Response) to find supplementary work packs provided for all our pupils should they require or wish to do extra work. Pupils already have access to **Times Tables Rock Stars** and should be encouraged to visit this regularly. The BBC Bite size website also has some useful ideas every morning from 9am.

If you have any questions about the work set please contact the school office - open 9:30am to 3pm daily.

Thank you for all your pictures, video clips, goodwill messages and continued support. We all look forward to seeing everyone back at school very soon.

Keep safe and keep working hard.

Best wishes

Mrs S M G Fletcher
