

DALE HOUSE INDEPENDENT SCHOOL

14th May 2020

Dear Parents

As you will probably be aware from the government broadcasts over the past couple of days, we have been given a potential school reopening date of 1st June 2020 for certain year groups. These year groups are Nursery and Prep; Transition; Year 1 and Year 6 children only.

We are contacting all parents whose children fall into these year groups so you can signal your intentions for your children returning to school on Monday 1st June 2020. The government guidelines are that children in these year groups are 'strongly encouraged' to come back to school unless they are self-isolating due to COVID symptoms or they are shielding due to health conditions. The school has been following COVID 19 procedures since they were introduced on 20th March 2020. The school has been open to key workers families and we have been teaching the children for the past 7 weeks with no infection or illness. There are strict rules about hygiene and cleaning already in place. We are now currently preparing procedures to follow the DfE guidelines. Please could you indicate to us, via email dalehouse2017@gmail.com no later than Monday 18th May 2020, if you plan to send your child/children back to school so we can start to put together plans for their reintegration.

Yours sincerely

Mrs S M G Fletcher
Headmistress
