## Welcome to Nursery's Newsletter!

Welcome back! It's lovely to see the new children settled and enjoying Nursery life. This half term the children will be learning all about 'Farms and Farm Animals'. We have many exciting ideas planned over the coming weeks!

The children have already had fun drawing and creating pictures of farm animals and playing in our Farmyard Role Play area,

During our Maths and Number time sessions the children have been taking part in a range of activities to develop their number skills and shape knowledge. The children have enjoyed creating shape collage pictures. They have learned the names of shapes and completing shape jigsaw puzzles. They have also enjoyed sorting counters into colour categories as well as counting them.

To develop physical skills this half term the children will be having music and movement lessons. The children will be learning different ways of moving and balancing. They will be practising these skills to gain confidence.

The children have enjoyed collecting leaves in the playground to create collage pictures, they also used some of the leaves to paint and print. The children created some wonderful pictures.

Miss Grimshaw

## Reminders & Upcoming events

Remembrance Day- 9<sup>th</sup> November

Be Healthy Day- 13<sup>th</sup> November

Children in Need- 13<sup>th</sup> November- Non-uniform please remember to make a donation.

Please can you bring in a pair of wellies for your child to wear for outdoor play. These will be kept in school for playing outside in the rain.

Thank You.

## Achievements

Well done to all the new children for settling into the Nursery Class!
