*"Luceat lux Vestra"*

## Welcome to the Prep Class Newsletter!

Welcome back! It's good to be back and to see the children being at school and learning new things.

Our class topic this half term is "Homes". The Prep Class will be learning all about different types of Homes and Houses. We have lots of exciting activities planned!

In reading work the children are beginning to develop their letter and Phonic knowledge ready for reading books. They are also making great progress with their writing and letter formation. Well done!

In Maths the children are enjoying taking part in a variety of counting activities up to 20. They are enjoying their work on number formation too.

The children have enjoyed Art. They have been getting creative by designing different sized dots to celebrate 'Dot Day'. The display in the hall is lovely and colourful.

Well done Prep!

## Homework

Please help your child to learn their letter and number flashcards every day.

Here are some useful websites that will further support your child's learning at home.
