

UP 5/6 Newsletter

"Luceat lux Vestra"

Welcome to the Upper Prep V/VI Newsletter!

Half-term is now here! The pupils have now settled back into the school routines and are working hard in all their lessons.

In the UPV/VI Class, children receive homework every night. Please can you encourage your child to complete their homework to the highest standard. Children must also read each evening and practise times tables and spellings too.

Over the last few weeks, we have enjoyed learning about: The Aztecs in History; the countries of North and South America in Geography; 'Light' in Science and abstract artist Helen Frankenthaler in Art. In English, we have been reading our class novel, 'Kensuke's Kingdom' by Michael Morpurgo and in Maths we have done: Place value; addition and subtraction; negative numbers; statistics; multiplication and division. We have been very busy and have produced some fantastic pieces of work which are now displayed around the classroom. Keep up the good work everyone!

I hope you have a fantastic half term holiday and stay safe!

Mrs Walton
