

UP 3-4 Newsletter

"Luceat lux Vestra"

Welcome to Upper Prep 3/4's Newsletter!

Welcome to our Newsletter. I can't believe it is almost half term already! The children have now settled back into the school routines and are working hard in all their lessons.

Now that the children are in the Year 3-4 Class (KS2) they will receive homework every night, please can you encourage your child to complete their homework independently where possible (this may include using the computer to research etc) and to always try their best. Children must remember to practise their times tables and spellings each night, ready for weekly tests.

It is important that all children try to be independent in every day tasks e.g. preparing for the school day, packing their own swim kits, getting out their school uniforms, being prepared for each lesson, thinking for themselves etc. Please encourage this as much as possible at home.

Over the last few weeks, the class has enjoyed learning about Ancient Egypt, The UK, and Place Value in Maths. We have been very busy and the children have produced some fantastic pieces of work which are now displayed around the classroom. I hope children will keep up the good work next half term!

Miss Wood
