

UP V/VI Newsletter

"Luceat lux Vestra"

Welcome to a new school year and our September newsletter. The children have settled well in to all the usual routines and are working hard in their lessons. We are all looking forward to a great year in the Junior School.

In our History lessons, the children have been studying the Victorian period and were amazed to watch remastered film footage of Victorian workers leaving their factories for lunch. The pupils could not believe how many of these workers were children!

In English, we are enjoying reading 'Street Child' and in Maths, we have just completed Place Value.

We are finally back swimming at the sports centre and the staff there are really impressed with the children's lovely manners.

In Science, we are learning about Earth and Space this term. This is an exciting topic and the children are really enjoying it. They will also visit the National Space Centre in October.

Victorian silhouettes have been created in our Art lessons and we are now learning about Peter Thorpe, who is known for being a space artist.

Reminders

- Autumn Art Competition w/c Monday 18th October.
- Trip to Leicester Space Centre Monday 18th October.
 - UPV/VI Parents Evening Wednesday 20th October 4.30-6.30pm. No homework or activity clubs.
- Spelling tests every Monday.
 - Times tables tests every Wednesday.
- School closes for half-term Friday 22nd October.

IMPORTANT INFORMATION

Y6 Parents need to have applied for high schools for their children by 31st October

Our pupils are collecting tinned or packaged produce to fill our Harvest box, ready for our Harvest Festival on Monday 11th October.

Please ensure that your child reads every evening.

Well done to Dawud and Enzo for achieving our class cup.

Elsa and Muhammad are enjoying their piano lessons.

Dax is happy to return to dance lessons.

Welcome to the newest member of our class, Kamsy Mba.
