

Transition Newsletter

"Luceat lux Vestra"

Welcome to the Transition/Year 1 class newsletter! We have had a very busy first few weeks back at school.

We have settled into our new class well and are now beginning to remember our new routines in the classroom.

In Mathematics our focus has been to recap number formation and the order of numbers.

Our phonic lessons have helped to develop skills to recognise, blend and segment tricky sounds to establish more confident reading skills.

We are enjoying our Geography topic, finding out about the British Isles and where we live. In Art & Design have painted our own self portraits and are looking forward to finding out about the artist Picasso for our next piece of work.
